National University of Educational Planning and Administration
17-B, Sri Aurobindo Marg, New Delhi-110 016 (INDIA)

About the University

The National University of Educational Planning and Administration (NUEPA) is actively engaged in teaching, research and advisory services in the areas of educational policy, planning and administration. The core activities of the University include: providing technical support to Central and State Governments in educational policy and planning; organizing professional development programmes including an M. Phil.-Ph. D. programme and two diploma programmes in educational planning and administration addressed to national and international mid-level education professionals; research in all aspects of school and higher education; advisory services to national and international organizations; clearing house for dissemination of knowledge and information; and providing a forum for exchange of ideas and experiences among policy makers, planners, administrators and academics.

As part of its professional development activities, NUEPA conducts, every year about fifty professional programmes. It includes long-term and short-term training programmes, seminars, conferences and meetings of senior national and international education policy makers, planners and administrators. On an Average, each year, about thousand five hundred senior planners and administrators participate in these programmes. It offers two diploma programmes: (i) One-year Post Graduate Diploma Programme in Educational Planning and Administration (PGDEPA) for the national participants; and (ii) Six-month International Diploma Programme in Educational Planning and Administration (IDEPA) for international participants. NUEPA uses a combination of modern methodologies in training delivery including structured presentations, practical work, syndicate work, case studies, group discussions and modern audio-visual methods. All training programmes are supported by professionally developed training material.

Objective and Activities
