We can click on “View” to see the list of students in a particular programme and then click on the form number to get the details of the application.

Registered Applications in University

In the Registered Applications section, we can see the list of applicants and verify them after clicking on the “Verify” button on their respective applications.

We have the following two options.

- **View Course Wise Applicants** - we can view the applicant's list filtered course wise.
- **View All Applicants tab** - we can view all applicants list where all courses list is combined

To verify the applicant's detail, at the bottom of the page there's also a drop-down to determine the "Eligibility Percentage" and "Verified by" field:

After the completion of the verification process, the applicant will get moved to the "Shortlisted/Eligible Applications" section.

Shortlisted/Eligible Applications in University

Here, we can view the Shortlisted or Eligible candidate list in the respective departments.

The list can be viewed by category after clicking on the buttons provided at the top of the window.

Select the candidates who have been selected for admission, then click on the "Add to admissions list" button.

On clicking it, the below-mentioned window will appear:

After submitting the details by the "Submit" button, the Candidate will appear on the admission list.

Admission Lists

It shows the list of candidates selected for admission according to the various departments of the University.

Once the Admission List gets verified, the applicants can check their admission status on their respective Dashboards.

Admission Statistics

In this section University can view the Total Seats, Total admissions done, and Difference status column-wise for all the programs offered by the University.

Admission List Administration

This section helps the University to manage the Admission list.

We can add a new Admission List or edit the existing one in this section.
